Duality Theory (Winter 2026/7): Formalities

Levin Hornischer // October 13, 2026

Welcome to the course *Duality Theory: Connecting Logic, Algebra, and Topology*! This document collects the relevant organizational information.

Contact The instructor of the seminar is me, Levin Hornischer (you can email me via Levin.Hornischer@lmu.de). During the semester, we meet on:

- Wednesday, from 12:15 to 13:45 in room 028 (Ludwigstr. 31).

If you have any questions, please do not hesitate to contact me.

Lecture material The materials for the course are provided on the website:

https://levinhornischer.github.io/DualityTheory/

We follow the lecture notes provided there which also include all the content information (topics, objectives, prerequisites, etc.).

Assessment If you take the course for credits (9 ECTS-points), you need to take the written exam in the last session of the semester.

Deadlines:

- Registration period for exams and term papers: 11.01. 2027 – 22.01. 2027. (This registration is necessary for writing a term paper and getting the grade/credits.)
- Exam: Wednesday, 3 February 2027 from 12:00 to 14:00 in room 028, Ludwigstr. 31.
- If, for some reason, you cannot make it to the exam (e.g., sickness), there will be an alternative slot (to be announced). You can choose for yourself which slot you pick without providing a reason. However, you can only take one of those two exams.
- After the exams are graded, there will be an opportunity to inspect the graded exam. When this will take place will be announced in due course.
